NOTICE OF IMPROPER FWC FILING UNDER 37 CFR 1.62  
NO FILING DATE GRANTED

The above identified application was deposited under 37 CFR 1.62 as a file wrapper continuing application but is improper and has not been granted a filing date for the reasons shown below:

- ☒ 1. The application does not include the ~~correct~~ serial number including filing date or series code of the prior application.
- ☐ 2. The application, which is not a continuation-in-part, was not filed by the same or less than all the inventors named in the prior application and no petition for correction of inventorship was filed.
- ☐ 3. The application, which is a continuation-in-part, does not identify the names of all the inventors (37 CFR 1.41 (a)). The application uses "et al" but only one inventor was named in the prior application.
- ☐ 4. The filing included a new specification or copies of a specification from the prior application. Under 37 CFR 1.62, all changes are required to be made in the form of an amendment to the prior application as it exists at the time of filing the application under 37 CFR 1.62. Therefore, it is unclear whether filing under 37 CFR 1.60 or 1.62 was intended.
- ☐ 5. The request does not include an original signature of the inventor(s), assignee of the entire interest, or registered attorney or agent.
- ☐ 6. The application was not filed before the payment of the issue fee, abandonment of, or termination of proceeding on the prior application:
  - ☐ a) The issue fee was paid on the prior application on \_\_\_\_\_.
  - ☐ b) The prior application was abandoned, or proceedings terminated on \_\_\_\_\_.
  - ☐ c) The prior application was abandoned by the filing of application serial number \_\_\_\_\_ on \_\_\_\_\_, under 37 CFR 1.62.
- ☐ 7. The prior application was not complete as set forth in CFR 1.51(a).

Any request for review of this matter should be made by way of petition directed to the attention of the Office of the Assistant Commissioner for Patents. Such petition must be accompanied by the appropriate fee (37 CFR 1.17 (h)). If the petition alleges that no defect exists, a request for refund of the petition fee may be included. Applicant has TWO MONTHS from the date of this notice to submit a petition to avoid further processing as an improper application with no filing date granted.
